controlled and clean dispensing kontrollierte und saubere Dosierung

valve function
Ventil (Silikon-Klappe)

APPLICATIONS FOR DENTAL CARE AND PHARMA

APPLIKATIONEN FÜR DENTALPFLEGE UND PHARMAZIE

filling protection / Schutz der Füllung

- thin barrier options / dünnere Barriere (cost saving solution / kostensparende Variante)
- thick barrier options / dickere Barriere (extreme protection / extremer Schutz)
- added option of barrier shoulder / Option für Schulter mit Barriere
- excellent barrier properties (Aluminium or EVOH barrier) / vorzügliche undurchlässige Eigenschaften (Aluminium- oder EVOH-Barriere)

consumer protection / Kundenschutz

sealing Membrane

tamper evident closure
Verschluss mit Sicherung

sleeved closures
gesleevter Verschluss

wide range of shoulders and closure Breite Auswahl von Schultern und Verschlüssen

- quick turn closure / Schnellverschluss (Fraktal)
- dom-shoulder / Dom-Schulter
- nozzles / Kanülen
- mixing shoulder for multicoloured toothpastes / Streifeneinsatz für mehrfarbige Zahnpasta

APPLICATIONS FOR FOOD PRODUCTS

APPLIKATIONEN FÜR NAHRUNGSMITTEL

- economic packaging solution for foodstuff / wirtschaftliche Packungslösung für Nahrungsmittel
- excellent barrier properties (Aluminium or EVOH barrier) / vorzügliche undurchlässige Eigenschaften (Aluminium- oder EVOH-Barriere)
- consumer protection / Kundenschutz

easy to go = mobile product Geeignet für das Mitnehmen = mobiles Produkt

light safe and recyclable packaging = convenient for children, music festivals, sport events / leichte, sichere und wiederverwertbare Verpackung = geeignet für Kinder, Musikfestivals und Sportveranstaltungen

easy to fill, comfortable to use / einfache Abfüllung, einfache Verwendung

eye catching and attractive for new groups of customers / attraktiv für neue Kundengruppen

convenient packaging for paste-like products or liquids Geeignete Verpackung für Produkte auf Pastabasis und Flüssigkeiten

- ketchup, tomato-paste, mustard, mayonnaise, horseradish / Ketchup, Tomaten-Püree, Senf, Mayonnaise, Kren
- sauces / Soßen
- honey, jam, jelly / Honig, Marmelade, Gelee
- meat and fish pastes / Fleisch- und Fischpasta
- milk products (sweet milk, yogurt, butter) / Milchprodukte (Süßmilch, Joghurt, Butter)
- beverage (alcoholic, non-alcoholic, energy drinks) / Getränke (alkoholhaltige, alkoholfreie und Energiegetränke)
- nutrition complement / Nahrungsmittelergänzungen

- production in clean rooms
- Produktion in sauberen Räumen

DEKORATION UND VEREDELUNG

up to 12 direct colours
Bis zu 12 Direktfarben

hot-stamping and cold-stamping
Heiss- und Kaltfolienprägung

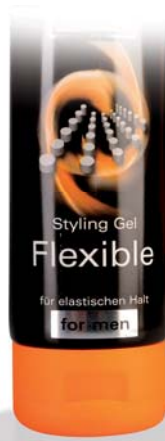

digital printing and labeling as a low cost option for small batches
Digitaldruck und Etiketten als kostensparende Lösung für Kleinmengen
